Sunday Night, July 28th - After checking in and getting set up, come to the clubhouse (at the campground) for happy hour and light snacks around 5:30 PM. For dinner, we'll go to a local fish-fry or brewery in town around 7. Dinner will be on your own.

Monday- Coffee & snacks at the clubhouse starting around 7:30-ish. At 9:30, we will depart for the Coastal Maine Botanical Gardens. A guided tour will begin around 11 AM. We will get lunch at the gardens. You will have a choice of either eating at the café or simply grabbing a sandwich and enjoying a meal outdoors. We will leave the gardens around 2 and head back to the campground for a nap or games. A mixed potluck dinner will be in the clubhouse at 6:30 PM. Bring a side to share. Entrée will be provided.

Tuesday- After morning snacks at the clubhouse, we will drive about 45 minutes to the Maine Prison Store, Marshall Point Lighthouse and have lunch at Tenant Harbor. In the afternoon, we will visit the Owl's Head Transportation museum & Owl's Head Lighthouse. Dinner will be on your own at a restaurant in nearby Rockland, ME at 6 PM and then we will return to the campground.

Wednesday- Coffee and light snacks at the clubhouse starting around 7:30. We'll leave for the "MMM" the Maine Maritime Museum around 9 AM and carpool to what Fodor's Travel has called "One of New England's 10 Unmissable Historical Sites". After touring the museum, our group will travel to Bath and have lunch at one of the many restaurant choices in town. We will return to the campground in the afternoon and then head into Boothbay harbor for the evening. Dinner will be on your own.

Thursday- Open day, no scheduled activities aside from an evening BBQ around 6:30 at the campground featuring smoked Beef Brisket and a Texas-style BBQ dinner (Since you'll all be sick of seafood by now) Water and unsweetened Iced Tea will be provided as part of the meal. Bring a dessert to share.

Friday – After morning coffee and snacks, we will travel to Camden Hills State Park for a trip up Mount Battie. This is one of the best overlooks on the Maine coast and for a small fee, you can drive to the top of the hill. Others may opt to hike the mountain- especially after gorging on BBQ the night before. This is a great place for a light picnic lunch and we may end up getting sandwiches for the group- so toss your canvas or folding chairs in the trunk before we leave the campground. We will head back down into Camden for the afternoon and many of the ladies will choose to shop at this little shopping mecca. There are a few other museums in the area that some may also choose to visit. Dinner will be on your own in Camden, Rockport or one of the other small towns on the way back to the campground.

Saturday- Coffee, refreshments in the morning. The Annual Business Meeting of the Vintage Birds Chapter will start around 10 AM at the clubhouse and wrap up around 12 noon. In the afternoon, we will go on a whale watching cruise out of Boothbay Harbor. Those who are not sea-fearing can easily spend all day in downtown Boothbay Harbor. We'll come back from the cruise and meet up at one of the local "Lobster Pounds" for dinner.

Sunday, August 4th- Check-out time is 11 AM. Sleep in... or join us for one last Coffee and snack session at the clubhouse.
